Ah yeah yeah

Na na na na na na na yeah
Na na na na na yeah

Love when we're in the dark
We're laying heart to heart
Don't really know your repertoire
Just show me who you are
Don't need no fancy cars
So put down your credit cards
Kisses are better than caviar
Baby you hit the mark

And it's so damn good
When you're on my body
Kissing me like you should
Until I say don't stop it
Never felt so damn good
So when you're on my body
The look of you is making me think
You're my new favourite thing

Na na na na na na na hey
Na na na na na
Every time you touch my body
Na na na na na na na hey
Na na na na na
Every time you touch my body

So undeniable
Your touch indescribable
Your body can do so many things
And I want to try them all

'Cause it's so damn good
When you're on my body
Kissing me like you should
Until I say don't stop it
Never felt so damn good
So when you're on my body
The look of you is making me think
You're my new favourite thing

Na na na na na na na hey
Na na na na na
Every time you touch my body
Na na na na na na na hey
Na na na na na
Every time you touch my body

Na na na na na na na hey (and I want some more, never felt, never felt this way before)
Na na na na na (baby don't ignore)

Every time you touch my body
Na na na na na na na hey (and I want some more, now I know, now I know)
Na na na na na (The look of you is making me think)
(You're my new favourite thing)

Ah yeah yeah
Ah yeah yeah
Ah yeah yeah
Ah yeah yeah

Every time you touch my body

Na na na na na na na hey
Na na na na na
Every time you touch my body
Na na na na na na na hey
Na na na na na
Every time you touch my body

Na na na na na na na hey (and I want some more, never felt, never felt this way before)
