

Figured Out

Fleur East

They don't know why you sleep at your Mum's house
Coz I don't wanna talk to you right now
But we keep it cool when they come round
That's what we do, yeh, that's what we do, yeh
Posting all the pictures from the good times
But we both know it's just one big lie
And even though we know that it ain't right
That's what we do, yeh, that's what we do, yeh

Heard them say we're couple goals
And they think we have it all
Sometimes I don't like your company, no
They be acting like they know
Coz we're smiling when we're low, low low low low low low low

So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know
So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know

We've been going back and forth on the main line
But only really see each other when we FaceTime
So let them go with what they heard on the grapevine
We know, we know, we know, we know now
Caught up in this game that we both play
Ain't nobody winning coz we both pay
Guess they're only gon' believe what we give away
We know, we know, we know, we know now

Heard them say we're couple goals
And they think we have it all
Sometimes I don't like your company, no
They be acting like they know
Coz we're smiling when we're low, low low low low low low low

So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know
So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know

So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know
So they think that we've got it figured out
So they think that we've got it figured out
Oh, they think that we've got it figured out
But I don't, I don't know, I don't, I don't know
