

# Love Me or Leave Me Alone

Fleur East

Watch out!  
Money, diamonds, shiny things  
I can get all that stuff on my own  
A little loving comes for free  
Can't get right at me if you ain't home

If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone

If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone

You got me so mad, I know you ain't bad  
I wish that you could see that you winning  
'Cause you have it  
Yeah it's so sad, you got me like that  
And I don't know why I'm hanging on you it's so tragic  
You know you got me coming back like a drug addict  
You make me feel like staying with you was a bad habit  
Yes you like chance, baby best grab it  
I'm too fly to carry on with this baggage

If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone

If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone

Love, love me or leave me alone  
Love me or leave me alone  
You gotta leave me alone  
Love, love me or leave me alone  
Love me or leave me alone  
Love, love me or leave me alone  
Watch out now!

You said you love me  
You said you'll never leave me alone  
You said you're thinking of taking a minute to make in a house a new home  
I say I never had it better, never say never  
You taking a break when you should be making it better  
Whatever, take the drums, take cars, I don't need cash back  
Got my license, take the keys, I don't need the hatch back  
I ain't lying, stop believing, ain't no need to back track  
I'ma leave your ass quicker than a Snapchat

Money, diamonds, shiny things  
I can get all that stuff on my own  
A little loving comes for free

Can't get right at me if you ain't home

If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone  
If you don't change your ways  
Then I'll go walk right out the door saying  
Love, love me or leave me alone  
Love me or leave me alone

Watch out now, hey  
No, no, yeah, yeah, yeah, yeah

Love, love me or leave me alone  
Singing love me or leave me alone.
