

Hurts Like Hell

Fleurie

How can I say this without breaking
How can I say this without taking over
How can I put it down into words
When it's almost too much for my soul alone

I loved and I loved and I lost you
I loved and I loved and I lost you
I loved and I loved and I lost you
And it hurts like hell
Yeah it hurts like hell

I don't want them to know the secrets
I don't want them to know the way I loved you
I don't think they'd understand it, no
I don't think they would accept me, no

I loved and I loved and I lost you
I loved and I loved and I lost you
I loved and I loved and I lost you
And it hurts like hell
Yeah it hurts like hell

Dreams fight with machines
Inside my head like adversaries
Come wrestle me free
Clean from the war
Your heart fits like a key
Into the lock on the wall
I turn it over, I turn it over
But I can't escape
I turn it over, I turn it over

I loved and I loved and I lost you
I loved and I loved and I lost you
I loved and I loved and I lost you
And it hurts like hell
