

## Lovely

Fleurie

Little of your time  
Little of your heart  
You're the only one I'm hoping to find  
Would you let me lead  
If I said I needed to  
Could you close your eyes this time

You're so lovely, lovely, lovely  
You're so, lovely, lovely, lovely  
Isn't it lovely the way that you love me  
The way that you, way that you do  
You're so lovely, lovely, lovely

Give me one more kiss  
I won't leave you bleeding  
Every little chance I'll say

You're so lovely, lovely, lovely  
You're so, lovely, lovely, lovely  
Isn't it lovely the way that you love me  
The way that you, way that you do  
You're so lovely, lovely, lovely

You're so lovely, lovely, lovely
