

# Your Heart Is a Fortress

Flickerstick

Be brave now  
Your heart has become a fortress  
Ah-ah-ah, ah-ah  
Ah-ah-ah, ah-ah

We are floating  
Away, from  
Each other

We break down  
Your heart has become a fortress  
In me, ah-ah  
Ah-ah, ah-ah

We break down  
Your heart has become a fortress (we break down)  
We break down  
Your heart has become a fortress (become a fortress)

We are floating away (we are floating)  
From each other  
We are floating away (we are floating)  
From each other  
We are floating away (we are floating)  
From each other  
We are floating away (away from each other)  
From each other
