

Better Than Ever

Flight Facilities

Legs are shaking, hands are aching
Head is pounding, back is breaking
The more I give, the more they're taking
I'm broken down, there's no mistaking
There's no time now for goodness saking

I'm a simple man, but I'm hard to please
Don't mind you making it hard for me
I don't want to be on my own forever
Alone I'm no good, but when we're together

I'm better than ever
When I'm looking at you I'm better in every way
I'm better than ever
Got a smile like sunshine
Brightens up the darkest of days
Yeah when we're together
And that's the way I feel, and I'm blaming it all on you
Coz I'm better than ever, better than ever, better than ever
Ain't that the truth

Everybody from the front to the back
From the left to the right let me see you just clap your hands now
You know you make me feel good right?
You make me say hey hey (hey hey)
Whoa whoa (whoa whoa)
You make me say hey hey (hey hey)
C'mon
Whoa whoa (whoa whoa)

I'm a simple man I've got simple needs
But you're the only kinda trouble for me
I don't want to be on my own forever
Alone I'm no good, but when we're together

I'm better than ever
When I'm looking at you I'm better in every way
I'm better than ever
Got a smile like sunshine
Brightens up the darkest of days
Yeah when we're together
And that's the way I feel, and I'm blaming it all on you
Coz I'm better than ever, better than ever, better than ever
Ain't that the truth

Better better better better
Better better better better (better than ever)
Better better better better
Better better better better (better than ever)

Better better better better
Better better better better (better than ever)
Better better better better
Better better better better

I'm better than ever
When I'm looking at you I'm better in every way

I'm better than ever
Got a smile like sunshine
Brightens up the darkest of days
Yeah when we're together
And that's the way I feel, and I'm blaming it all on you
Coz I'm better than ever, better than ever, better than ever
Ain't that the truth
