You wanna get loud
You don't wanna talk about it
Well lucky for you-oo-oo-oo

Well lucky for you-oo-oo-oo

(I like to move)

Well words are overrated
I could tell you more with my body, baby
Match my, match my body baby
Maybe we could settle this now
Gimme time and we could figure this out

Ooh, I gotta know
Are you gonna tell me
What you want?
You drivin' me, drivin' me
Ooh, I gotta know
Are you gonna tell me
What you want?

You wanna get loud
You don't wanna talk about it
Well lucky for you-oo-oo-oo
