

Pain

Flight Facilities

Somewhere there in the breakwater
I was rolling, fighting with the tide of my mind

What's that, you're coming back to me?
Misunderstood, no you were running

I'm in pain
Oh, I'm in pain
I'm in pain
Oh, I'm in pain

And how foolish to think I needed you to fill my sails
Did you think that I relied on your love for direction?

Don't walk away when I am talking at you
Don't shut your eyes and act blind

Oh, I'm in pain
I'm in pain
Oh, I'm in pain
I'm in pain
I'm in pain
Oh, I'm in pain
I'm in pain
Oh, I'm in pain
I'm in pain
Oh, I'm in pain
I'm in pain oh, come back when I'm talking to you
Oh, something floating in the space between us

But I'm in pain
Oh, I'm in pain
Oh, I'm in pain
I'm in pain

I'm in pain
I'm in pain
