

In the Marmalade Forest (forest)
Between the make-believe trees
In a cottage cheese cottage lives Albi (Albi)
Albi (Albi)
Albi the racist dragon

Part 6: and so, all of the villagers chased Albi the racist dragon into a very cold and very scary cave. And it was so cold, and so scary in there, that Albi began to cry dragon tears. Which as we all know turn into jellybeans!

Anyway, at that moment he felt a tiny little hand rest upon his tail, and he turned around, and who should that little hand belong to but the badly burnt Albanian boy from the day before. What are you doing here, I thought I killed you yesterday! (grumbled Albi quite racistly)

No Albi, you didn't kill me with your dragon flames. I crawled to safety! But you did leave me very badly disfigured.
(laughed the boy)

Why are you crying so?

I'm crying because all of those horrible villagers chased me into this scary cave! I think it's because I'm so racist. Get your hand off my tail, you'll make it dirty.

No Albi, it's not because of your racism that they chased you here. They chased me here too and I became all disfigured like this. They just don't like you and I...because...well because we're different to them.

And that made Albi cry a single tear, which turned into a jelly bean all colors of the rainbow!

And suddenly, he wasn't racist anymore.

So they sat in the cave (the cave!)

And ate bubblegum pie

YUM!

Albi

The racist....

Well, not anymore!
