

If You're Into It

Flight of the Conchords

If you want me to
I can hang 'round with you
If I only knew
That's what you're into

You and him, him and you
If that's what you're into
Him hangin' 'round around you
You're hangin' 'round, yeah, you're there too

And if you want me to
I will take off all my clothes for you
I'll take off all my clothes for you
If that's what you're into

How 'bout him in the nude?
If that's what you're into
In the nude in front of you
Is that what you'd want to view?

If it's cool with you
I'll let you get naked too
It could be a dream come true
Providing that's what you are into

Is that what you're into?
Him and you in the nude
That's what he's prepared to do
Is that the kind of thing that you think you might be into?

And then maybe later
We'll get hot by the refrigerator
In the kitchen next to the pantry
You think that might be what you fancy?

In the buff, bein' rude
Doin' stuff with the food
Gettin' lewd with his food
We heard that's what you are into

And then on our next date
Well, you could bring your roommate
I don't know if Stu is keen to
But if you want, we could double team you

How 'bout you and two dudes?
Him, you, and Stu in the nude
Bein' lewd with two dudes for food
Well, that's if Stu's into it too

All the things I do
The things I do for you
If I only knew
That's what you're into
