Do you all mermaid have slight webbed hands? (that must be freaky)

Is it normal for a guy to wear scuba apparatus when he makes love in the sea? (make love to me)

Ooh ah ooh ooh

Do you have mermaid parties beneath the sea? (am I invited?)

At these mermaid parties do you smoke seaweed? (if so, then how do you light it?)

Are you the answer to a drunken sailor's lonely wish? (shhh)

Or are you an optical illusion caused by a woman sitting on a rock, holding Half a fish? (half a shapely halibut)

Caviar.

Oh ya see? she's a lady.

Yeah well she would have been if she hadn't laid them! (yeah)

But surely, surely bet the fact that she has breasts would indicate that She's, um, capable of producing milk for her young. um, I think her mammal, You know, mammary glands making her a woman, really, um and I think a lady.

Well, let's just say she definitely had breasts! (ooh, ow, yeah, ooh!)
