Pencils in the Wind

Flight of the Conchords

Lives are like retractable pencils
If you push them too far they're gonna break
And people are like paper dolls
Paper dolls and people, they're the very same shape
Hmm hmm hm

Love is like a roll of sello tape
It's real good for making two things one
But just like that roll of sello tape
Love sometimes breaks off before you're done
Another way that love is similar to sello tape
That I've noticed
Is sometimes it's hard to see the end
Ain't that the truth my friend
You search round the roll
(search round the roll)
Search round the roll
(searching round the roll)
Search round the roll
(search)
With your fingernail
Again and again
And again and again
And again.

Brown paper, white paper
Stick it together with sello tape
ahhhah ooo yeah

Brown paper, white paper
Stick it together with sello tape of love
That sticky stuff.

People People
Paper Paper
Paper Paper
People People
People People
Pencil Pencil
Pencil Pencil
Paper Paper
Put the pencil to the paper
Give the paper to the people
Let the people read about the sello tape
Oh baby baby
Yeah

You know, Jemaine, recently I've been thinking about love, mutual love...
And I guess it's the very strongest adhesive available

Full on

Ooh yeah
Say it
Sticky
Stick stick
Stick it together

Ye-yeah
