

## Robots

### Flight of the Conchords

The distant future, the year 2000  
The distant future, the year 2000  
The distant future, the distant future

It is the distant future, the year 2000  
We are robots  
The world is quite different ever since  
The robotic uprising of the late nineties  
There is no more unhappiness, affirmative

We no longer say yes, instead we say affirmative  
Yes, affir-affirmative  
Unless we know the other robot really well  
There is no more unethical treatment of the elephants  
Well, there's no more elephants, so ah, but still it
