

Tuning

Flight of the Conchords

Gotta tune for this one. This one's gonna sound good. I'm gonna - I might tune mine as well.

We don't normally tune. This might be what we've been missing the whole time.

Okay. Okay.

Been looking forward to this now. Good idea.

Yeah. I saw another band, they were doing it, I thought, "Oh that's what bands do", we'll give that a go. Okay.
