

## Time Goes Down

Flipp Dinero

Yeah, yeah

I'm just kinda caught up wit' myself (yeah)

Livin' 'til my time goes down like it's supposed to

I can't really trust nobody else (yeah)

Either way my time goes down like it's supposed to

I would know, either way my time goes down like it's supposed to

I would know, money on my line, oh my gosh, yes I'm going to it

I would know, either way my time goes down like it's supposed to

I would know, money on my line, oh my gosh, yes I'm going to it

I, yeah, yeah, yeah

Whip the foreign like a drive by, Nina sitting with me that's for nine lives

I ain't really with the Allahs, pray to God to bless and judge our lives

Teachin' niggas 'til they're so fine, nigga see what I mean, yeah it's all mine

And niggas searchin' 'til they all find, niggas see you doin' good, it's all fine

And niggas fakin', yeah that's all time, bitches front and fakin', that's a small line

See I can't trust a soul, no, see I just want this dub, yeah

See I can't love these hoes, yeah, I stack it up and go, yeah

I wanna look wild when I flex it, get diamonds all up in my necklace

Got foreign all on me like Tetris, get mama the crib she requested

Niggas hatin' that's their occupation, they can't stand to see another nigga make it

This shit here like history in the makin', this a fuckin' [?] so I'm a fuckin' take it like

I would know, either way my time goes down like it's supposed to

I would know, money on my line, oh my gosh, yes I'm going to it

I would know, either way my time goes down like it's supposed to

I would know, money on my line, oh my gosh, yes I'm going to it

I just want it all, I just wanna ball, Ima get it all, roll up to my guard

Vision hundreds doin hundreds in the car

Pain I'm feelin turn me all into a star

Tunnel vision mainly [?] the cars, Ima get it I can not show no remorse

I don't understand these niggas, no

They tryna imitate the difference, yeah

Ain't never complement the different, no

It hit me cause I'm really gettin it, yeah

I can't get the hate that's coming from em I been really chasin' and it's all grind

Mansions in the hills I'm whipping foreign visas and I just wanna say it's all mine

I would know, I will really make it, I will really take it, I ain't with the fakin', I ain't with the play shit

I would know, I will really get it shinin' like a star, know my name  
with niggas knowin' who I are

I would know, either way my time goes down like it's supposed to  
I would know, money on my line, oh my gosh, yes I'm going to it  
I would know, either way my time goes down like it's supposed to
