

# Trappin'

Flipp Dinero

See I done been through struggles refer to shit as the gutter  
If ever I was to die tell my mother, father I love em  
See I can't trust a soul cause these niggas say they ya brother  
s

They say they want see you good but they rather just see you un  
der

It's funny how shit go when life starting to look good for you  
It's funny cause I don't brag but my wrath is in it like thunde  
r

And even though we come up we working in better ways  
Just for searching for better days I'm still stuck s nigga just  
wonders

You niggas mad at me cause I'm living for what I asked for  
Shit I gained on this continent put up all on this map for  
Wrapping up day and night plotting dreams that the work take fl  
ight

Run up through ya spot with the pipes got my hittas kicking the  
back door

See I don't live my life with intent on saying apologies  
Live this shit day and night and just pray that my momma proud  
of me

Live this shit day and night it's a shame that niggas had doubt  
ed me

Middle finger ya bitch she in love with me cause you doubted me  
Demons all up around me them hittas up on the side of me  
Angels keeping me safe it's them bullets that's just dividing m  
e

Motion picture I warning you brothers about the timing b  
All this shit was hard and my faith it was just the time to see

Praying that we all take flight  
I been trapping every day and night, yeah  
I been trapping like a slave day and night  
I been trapping, I'm just tryna get it paid real right now we o  
n some

Guessing the question is all bout loyalty do this shit for my h  
ittas so many niggas is proud of me

Thankful that I'm a GuaLa that other shit is what's foul to be  
Mixing lean in the potion I'm sippin lean till I'm drowsy b  
Niggas ride in the hoopties you ball my line just to cop the pl  
ea

Different type generation it's xans and lean like a battery  
Different type generation they ride with you cause they doubted  
me

Focused on concentration I cop the coupe so I'm riding b  
Niggas whole occupation is foul it's you that's profound of me

Niggas lost destination I nav the coupe how you founded me  
Nina tucked in the maxima slide on you then you cop the plea  
Niggas strapped in they Instagram in my face they be lacking G'  
s damn

Praying that we all take flight  
I been trapping every day and night, yeah  
I been trapping like a slave day and night  
I been trapping, I'm just tryna get it paid real right now we o  
n some
