Tell you how it's goin' down, I just can't move slow now
Certain things I'm meant to do, visions in my dust now
I'm just tryna get next to you, wanna put my blunt down
Up on our residuals, concepts flood my thoughts now
Different individual, tell you how it's goin' down
Place the shit ahead of you, tell you how it's goin' down
That's the shit, I'm here for you and that shit is going down

Coastal, lemme take you coastal
Treat you like you supposed to
Over, what you gon' do?
Lemme bring you closer, pass that shit, you over
Hate it when we sober, I'ma need you over, hate it when you
Coastal, lemme take you coastal
Treat you like you supposed to
Over, what you gon' do?
Hate it when you gone but I want you close now
Money talk, I go now

Sleepin' on me, what's the reason?
I hit 'em with that check
All I left she said, "Deceiving", and all I did was flex
Now she watchin' for a reason, she see I'm really next
Count this shit up like it's treason and all I did was flex
Fully equipped so what's the reason?
She see I'm with the check

Hate it when we sober, I'ma need you over, hate it when you
