

# Only One Answer

Flipper

It's only one answer  
I wanna hear you give  
And that is all about  
How you want to live

I don't wanna hear  
Your annoying noise  
I just need to know  
That you've learned from choice

Give it all the fact  
About what you did

Never seems to be  
One answer  
But the way you act  
And that must be that you're so scared of that one fact

Of who you really are

You ? so often  
You ?  
So f\*cking insistent  
You lose your place with every turn

Just seems  
You've been getting worse  
When will you ever learn  
You don't know where you act  
You don't know your turn

It's time to wake up

There's only one answer  
I wanna hear you give  
And that is all about  
How you want to live

I need to hear  
Your annoying noise  
? try again  
Give it another choice

Do it right
