Missing you

Flipsyde

Oh I'm missin' you
Baby I'm missin' you

Baby I'm missing you
Oh I'm missin' you
Oh I'm missin' you
Baby I'm missin' you
Mmm eyyy hmmm
Baby I'm missing you

Things'll never be the same without you...

What did I do to deserve this
I didn't even get one last kiss, from you
Oh baby God took your love from me
He needed an angel so it seems
I need to feel your hands all over me
I need to feel you kissing me
I need to feel you holding me
I need to feel your touch
Cause I miss your love so much
And I can't keep on living this way
I need you here with me
Why could he take you away, from me

It's hard for me to tell you I love you
As I'm standing over your grave
And I know I'll never hear your voice again
Why did you leave me
Why couldn't you just stay
Because my world is nothin', without you
Now I don't know what to do, with myself

I would've given you anything
Just to make you happy
Just to hear you say, that you love me one last time
I'd go to hell and back over and over again
Just to prove to you how much I need you here
There is nothing that I wouldn't do
I'd cry for you
I'd lie for you
And there's no doubt that if I could take your place in heaven
I would die for you, yes I will
I would rather give up my life
Than to see tears in your eyes
I can't stand to see you cry

Cause it's hard for me to tell you I love you
As I'm standing over your grave
And I know I'll never hear your voice again
Why did you leave me
Why couldn't you just stay babe
Because my world is nothin', without you
Now I don't know what to do, with myself

I just don't know what to do with myself
I cant stand looking at those pictures on my shelf

Knowing it was just one week ago, i stood there and took that picture
There just one thing that I wanna know
Why would God want to hurt me so bad,
Does He know how much it hurts to be missing you
Baby Im missing you
Baby Im missing you
I love you

oh God damn it I love you
Why did he did he take you away from... me
Cause I love you so...
I miss you so much baby I just can't go on baby
