Flipsyde

Ami C F E7
Someday we gonna rise up on that wind you know
Ami C F E7
Someday we gonna dance with those lions
Ami C F E7 Ami
Someday we gonna break free from these chains and keep on flyin'

C F E7

Ami
They tellin' me it's all good just wait
C
You know you're gonna be there someday
F
Sippin' on Jim Beam ok
Ami
Gotta get these things one day
C
Till then do another line you know
F
Searching for that other high
E7
Stop or I gotta steal then steal
Ami
Kill or I'm gonna be killed
C
I got a sack in my pocket
F
Conscious yellin' drop it
E7
You know we're gonna lose it someday
Ami
And we tryin' to hold it all together
C
But the devil is too clever so
F
I'm gonna die you gonna die we gonna die
E7
Someday one day I said

Ami C F E7
Someday we gonna rise up on the wind you know
Ami C F E7
Someday we gonna dance with those lions
Ami C F E7
Someday we gonna break free from these chains and keep on flyin'

Ami
Try to lie but it ain't me
C
Ain't me try to look but I can't see
F
Can't stop right now cause I'm too far
E7
And I can't keep goin' cause it's too hard
Ami
In the day in the night it's the same thing

C

On the field on the block it's the same game

F

On the real if you stop then it's no pain

E7

But if you can't feel pain then it's no gain

Ami

Rearrange and you change and it's all bad

C

And you try to maintain but you fall back

F

And you crawl and you slip and you slide down

E7

Wanna make it to the top better start now

Ami

So I hold my soul and I die hard

C

All alone in the night in the graveyard

F

Someday one day I'm gonna be free

E7

And they won't try to kill me for being me

Ami

Hey someday
