

Brooklyn Baby

flipturn

One of these days
I'll be wasted
On all my precious time
And all your patience
It's a cruel crime
When you face it
But I'm in need of someone
More than I crave it

Ooh, Brooklyn baby
I'm a fool, thinking you could save me
Now I don't care if you love or hate me
But I used to
Brooklyn baby

What would I do
Without you?
What does doubt do?
I thought I knew

Ooh, Brooklyn baby
Is it cruel, or can you save me?
I'm just scared
If I dared waging
I'd just lose
Brooklyn baby
