

# Anything Flows

Flo Milli

I be outside with my cousin, we fine (hey)  
Do what we want, I can't wait in no lines  
I made him swipe his card, tell him pick up the dime (hello?)  
He gon' go with the flow every time

Heart so cold (ay), brain on froze (ooh)  
Body got numb, can't feel my toes (nah)  
What flavor I'ma pick? Don't nobody know  
Too many choices so anything goes (okay)

Ice on cold (okay)  
Too many choices so anything flows  
What flavor I'ma pick? Don't nobody know (oh yeah)  
Too many choices so anything goes

Big Don  
VVS diamonds might blind 'em  
Watch so froze I can't tell what the time is (yeah)  
He gon' do what I say like Simon  
Berry blue whip, drop the addy, I'm sliding (woo)  
Summertime heat make me thirsty  
Slide at the Speedway to get me a Slurpee  
Big Don, pinkie ring on, freeze cuff (freeze)  
Take a sip and I bet he gon' freeze up (yeah)  
When you a boss you don't look at the cost  
Fit so cold I don't drip, I frost  
I ain't even mentioned her and she still talking  
Probably 'cause I change the temp when I walk in (ice)  
If you fumble me you bold  
Can't cry on my shoulder, it's way too cold (too cold)  
Bank account matching my attitude (yeah)  
I would hate me too, I ain't mad at you

Heart so cold (ay), brain on froze (ooh)  
Body got numb, can't feel my toes (nah)  
What flavor I'ma pick? Don't nobody know  
Too many choices so anything goes (it goes) (okay)

Ice on cold (okay)  
Too many choices, so anything flows (like anything flows)  
What flavor I'ma pick? Don't nobody know (mmh)  
Too many choices so anything goes (mmh)

Being outside, sun beaming on me (yeah)  
[?] get me a drink  
Little bit of shorts with the baby white tee  
Cherry red on my tongue and it's gold on my teeth  
On my way to the function  
'Bout to hit the store, holler if you want something (okay)  
I do my own stunt and my girls got my back  
So you know we ain't fronting (that's right)  
Parking lot, jumping like a herky  
Need a free refill on my Slurpee  
Check my wrist, it's only 9:30 (what that mean?)  
Mmh, it's still early  
Grab a couple snacks 'cause I'm looking like that  
Two-door whip with the top peeled back

I need the citrus flavor (flavor)  
Don't do the sour, I ain't worried about no hater (I ain't)

Heart so cold (ay), brain on froze (ooh)  
Body got numb, can't feel my toes (nah)  
What flavor I'ma pick? Don't nobody know  
Too many choices so anything goes (okay)

Ice on cold, too many choices so anything flows  
What flavor I'ma pick? Don't  
Ice on cold, too many choices so anything flows  
What flavor I'ma pick? Don't

I do my own dance, do my own stunts  
I'm from Philly [?]  
You look so hot, need a slurp (cherry)  
[?] in that summertime  
Me and the bros are outside  
Come just kick it with us, you'll be fine  
I got my shades on, I got the light  
Diamonds on wrist, that's ice on the side  
You know Rare yeah they can't wait to see him  
[?] he always going tee up  
Laying back and he always got his feet up  
Psych, I'm a ice skater, I come through like a freezer (okay)

Big Don, pinkie ring on, freeze cuff  
Ice on cold (okay), too many choices so anything flows  
Take a sip and I bet he gon' freeze up  
Ice on cold (okay), too many choices so anything flows  
(What flavor I'ma pick?)
