

Chocolate Rain

Flo Milli

Uh-huh, yeah
Uh-huh

Passive aggressive
I'm sexy, obsessive
That closet, impressive
She messy, possessive
That message on read, where I left it
That dick on the bed, where I left it
Had to show him I'm nothing to mess with
Thank God for the things that I'm blessed with
Motivation, push it
Temptation, they lookin'
Vibration, no bullshit
Big dog, lil' bitch, I'm wolfin'

Oh, bitch, behave for your mama-ma
Come taste this wave, cocoa, na-na-na (Ha, ha, ha)
Go insane, I go, "La-la-la"
This chocolate rain fall like wat-ta-ta

Eat it, I know, I know you need it
He hungry, gotta feed him
Them pockets, gotta bleed 'em (Dry)
Conceited, I'm so, I'm so conceited
I'm cocky, bitch, just beat it
These girls, these girls defeated, (Girl, bye)
Purple Lamborghini when I'm flyin' through your city
You probably don't believe me, you a hater
Big Flo Milli, only bad bitches with me
And the only way to get me is paper
That gossip is toxic
Can't beat me, bitch, just stop it
I'm always the topic
Take a bitch out my pic, I crop it

Oh, bitch, behave for your ma-ma-ma
Come taste this wave, cocoa, na-na-na (Ha, ha, ha)
Go insane, I go, "La-la-la"
This chocolate rain fall like wat-ta-ta

Can't give a fuck 'bout the gossip
'Cause if I catch me a bitch, I'ma clock her, uh
I love when my nigga speak Patois
Go toe to toe with a ho, I won't block her
I be like, "Damn, you lookin' sad"
Outside with my bitches, they showin' they ass
Pardon my French when I'm doin' the dash
AP on me, watch how niggas get mad, pussy
I just woke up to like three hundred bookings
Girl, we ain't the same, you a rookie
Damn, I know he want all my goodies
Taste the Nutella when he eat the cookie, ha
I tell him, "Eat it up, papi"
Knew I was toxic when you blocked me
Ride the D, bitch, I'm a jockey
I walk in this bitch like I'm Foxy

Oh, bitch, behave for your ma-ma-ma
Come taste this wave, cocoa, na-na-na (Ha, ha, ha)
Go insane, I go, "La-la-la"
This chocolate rain fall like wat-ta-ta
