A lotta people hate me 'cause I walk like I'm the shit
Real anti lil' bitch, yeah, I gotta keep it stiff
My beauty offends so I don't have a lot of friends
You want smoke? Well come and get it, I could never fear a bitch
A lotta people hate me 'cause I walk like I'm the shit
Real anti lil' bitch, yeah, I gotta keep it stiff
My beauty offends so I don't have a lot of friends
You want smoke? Well come and get it, I could never fear a bitch (Yeah, hold up, woah)

You cannot stop the beat
A legend is what I'm destined to be (Bitch)
I'm a big dog and I'm off the leash
Hot like a stove, they can't touch me
I treat a hater like my weave, I don't sweat 'em
Walk in my shoes, tell me if you do better

Wake up, say a prayer, yeah
Then I'm off to the paper
Bitch, you my kid, I'm in labor (Ha)

You cannot stop the beat
A legend is what I'm destined to be

You get what you give, better play your role
Stayed down on my toes, even when I was broke
I am committed, can't fuck wit' you hoes
And don't try to run up 'cause I'm never alone
Say what you gon' do but I bet you won't
I do not argue so please move along
Cappin' bitches is what I don't condone
