

# Be on You

Flo Rida

I control the rain I could make it better, matter of fact  
I make it weather, stormy weather with this cheddar  
All because you hot as ever  
If you may lady, let me play baby, make my way baby,  
You won't like it, send it back and it's okay baby  
You's a keeper, touch of diva, give me a fever  
If I could freak ya, give me the word and I'll be along

I said excuse me little mama if I may  
Take this thought and send it your way  
And if you don't like that, then send it right back  
But I just gotta say  
I wanna be on you (on you)  
I wanna be on you (on you)  
And if you don't like that, then send it right back  
But I just gotta say, I just gotta say

Girl let me touch you like nobody can (yeah girl)  
Girl let me show you I'm a gentleman (uh huh)  
I wanna be the one to hold your hand (oh yeah)  
I just wanna be, I just wanna be

Girl let me touch you like nobody can (yeah girl)  
I wanna show you I'm a gentleman (uh huh)  
Girl let me be the one to hold your hand (oh yeah)  
I just wanna be, I just wanna be

I said excuse me little mama if I may,  
Take this thought and send it your way,  
And if you don't like that, then send it right back  
But I just gotta say  
I wanna be on you (on you)  
I wanna be on you (on you)  
And if you don't like that, then send it right back  
But I just gotta say, I just gotta say

I said excuse me little mama if I may

I wanna be on you (on you)  
I wanna be on you (on you)  
And if you don't like that, then send it right back  
But I just gotta say, I just gotta say

"Be on you", yeah, yeah, yeah, yeah
