Do Si Do

Flo Rida

Grab your partner, do si do
Come dance like you on video
And go, go, go, go like ooh wee
Grab your partner, do si do
Come shake that, shake that thing below
And go, go, go, go like ooh wee

Grab your partner, do si do
Grab your partner, do si do

Grab your partner, do si do
Grab your partner, do si do

She feel that beat drop
I'm on them lips like a beatbox
Spinning around like astronomy
Pour me some Casamigos, no apologies
If I go crazy
You might be my little baby
Do-si-do that thing on me
Look how crazy she made me
(Look what she made me do)

She shake it, good gracious
Ooh, too much temptation
Hey fellas, hey ladies
Everybody get in line and

Grab your partner, do si do
Come dance like you on video
And go, go, go, go like ooh wee
Grab your partner, do si do
Come shake that, shake that thing below
And go, go, go, go like ooh wee

Grab your partner, do si do
Grab your partner, do si do

Grab your partner, do si do
Grab your partner, do si do

Yeehaw
Head high, hit me like a sativa
You know the game baby, follow the leader
Turn around, make me a believer
Giddy-up, giddy-up, get down
Get loud, bring your body in the crowd
Good sound, put my name in your mouth
Spit it out, now girl you a cowgirl

She shake it, good gracious
Ooh, too much temptation
Hey fellas, hey ladies
Everybody get in line and

Grab your partner, do si do
Come dance like you on video

And go, go, go, go like ooh wee
Grab your partner, do si do
Come shake that, shake that thing below
And go, go, go, go like ooh wee

Grab your partner, do si do
Grab your partner, do si do

Grab your partner, do si do
Grab your partner, do si do
