

# Hola

Flo Rida

Alright alright  
Maluma baby

I just had to say  
Hola, hola-la  
We should get acquainted like  
Oh my, oh my God  
I don't speak your language, but  
Hey ma', hey mama  
Don't need no translation just  
Come right here  
And make your body say  
Yeah yeah

Hola-la-la-la  
Don't know what to say  
Like a lollipop  
Get inside you taste  
Sweeter than an ice cream truck  
You're a charm, yeah you give me good luck (Oh)  
We really don't need to speak too much  
Oh oh, but you make me say

Don't know your name right now (Yeah)  
Got nothin' to change right now  
Saw your costume  
And I just had to say

Hola, hola-la  
We should get acquainted like  
Oh my, oh my God  
I don't speak your language, but  
Hey ma', hey mama  
Don't need no translation just  
Come right here

Eres sabrosura pura  
Mira que linda figura  
Modela en la orilla de la playa  
Con su gafita Gucci nunca, nunca falla, yeah  
Te quiero conocer  
Tell me what's your name  
Vengo de Colombia, baby if you wanna play
