

# Touch Me

Flo Rida

If you like my body  
Touch me, touch me, touch me, ta-touch me

(2x) Touch me, touch me, touch me, ta-touch me

Heyyy I like it when you tellin' me to keep in touch,  
All over your body rub it like good luck,  
Never stand up shawty keep me doin' too much,  
Hands where they oughtta be unleash that stunt,  
And no apology so please don't fuss,  
Quicksand quality, its goin' down pretty ruff,  
Brand new ... all about that rush,  
Keep tellin me to fill it, its just my luck,  
Imma help you make that movie,  
Get on my top cause' I like my duty,  
Get it involved nevermind the goopies,  
She a dawg so I let her be snoopy,  
Round of applause make it drop like a oozie  
...cute like suzy  
Send her to the top with a coofie  
you momma just gave me a call I hear you I heard you say

Touch me baby, touch me all night long  
Touch me baby, ya

I'm into that talk  
I'm into that walk  
I got a thing for them dollars an its all my fault  
Let ma second head tell it ima break you off  
Tell 'em I said they got a whole lotta balls,  
I wanna go hard, Shawty give us that stuff,  
...balls  
I'm gunna rump and a bump and a stomp for them calls  
I'm gunna hump automatic from the window to the wall  
Yea I'm wanna get it right wid you all ready  
Pull it down ... yea c'mon lady  
... gotta fetish  
...grown man wid it baby  
All out to the spot like its on freddy  
Understand I do it big for the gwop baby  
When a momma feelin hot take her to the tele  
I don't like 'em scary like the girls who whip my silly like

Touch me baby, touch me all night long  
Touch me baby, ya

I like you sexy,  
I want you next to me,  
Lets be the legacy,  
Got me feelin like XTC,  
and a little bit of jelousy,  
its all about your melody,  
Right where I care to be,  
Shawty thats definatly a fellony,  
Want me to touch you thats cool,  
I spend my paper on you,  
and pick you up in my coupe,

and make it do what it do,  
Shawty don't get it confused,  
You sure that we can get loose,  
All out I'm breaking the rules,  
Go hard, I like when you said,

(2x) Touch me, touch me, touch me, ta-touch me

Touch me baby touch me all night long  
Touch me baby, ya
