

## The Beast

Floater

With every twitch of the brain  
Comes a thick, black chain

Now see the body's a beast  
And I am the rider  
And whither the beast goes...  
So shall I

Shall I warm these bones  
By her dark night moans?

See, the body's a beast  
And I am the rider  
And whither the beast goes...  
So shall I
