

Feelings

Floetry

This is about being grown
Feelings
Being mature
Yeah
Being brave
Can you be brave?
Feelings
Listen

I'm emotional, you're emotional
Could be why we always argue our
Conversations short, we can't open up
Just become much too difficult
I don't know what to do
I don't know what to prove
This is more than me
And so much more than you
We must make it through said you and I
I can't decide

I just can't decide
If it's you I want
Don't want to choose between
Having you in my life or losing you for real
'cause I've got feelings (I'll falling in love with our feelings)
Feelings
Because I've got feeling (yeah)
Feelings (I'm not afraid of the feelings babe)

I'm a stubborn girl
You're a stubborn guy
Could be why we fight all the time
If it's not your way
Then it must be mine
Can't communicate
Can't even compromise
I don't know what to do
I don't know what to prove
This is more than me
And so much more than you
Can we make it through
I can't decide

I just can't decide (I can't decide)
If it's you I trust (trust babe)
Don't want to choose between (choose between)
Having you in my life
Or telling you goodbye
Because I've got feelings
Feelings (yeah)
Because I've got feelings
Feeling

We have to die alone though
Because I've got feelings
So dramatic Romantic

Oh I just can't pretend
That your just a friend
You took It futher
Passion still remains
Her we are again
Because we got feelings
Feelings
Because we got feelings
Feelings
I can't even believe were here
After all we been through
