

(Yeah)  
This is a message from the mother  
(Let's go girl)  
She told me to tell my brother  
She loves you...and I do too  
(Yes yes)  
Cause you're my SupaStar  
(You're my SupaStar)  
You are  
(SupaStar)  
Yeah  
(Come on)

It's a pretty day, let's go outside and enjoy it  
If you got something else in mind, then I'm all for it  
I will take the chance, I will take your hand  
Then we'll go there, go there...  
Love isn't something that you earn, it's deserved  
Love is something I can give cause I'm worth it  
You amaze me  
I am taken in  
You're so lovely  
I can

I can see you  
Tell me what you wanna do  
I know who you are  
You're my SupaStar

My man said Heaven is a day away  
If in the present, you loving a braver way  
I wear the aura of a king, and dream of a love supreme  
As a child, I was told that my love is king  
Seen what it could bring to the lives of those  
That ain't afraid to give with they souls exposed  
Golden rose, you color my reality with balladry  
Allowing me to love like a child that's free  
I'm proud to be your SupaStar

My love is honest & true, and I can prove it baby  
My love is everything to you, if you choose it baby  
You're amazing  
I'm so taken in  
You're so lovely  
I can

You know I liked him so much  
It turned into loving  
Then the love back to like,  
Now I feel like I'm bursting  
Well nursed him and named him  
so full of potential  
He stands tall, our feel is eternal  
Fine like the earth, and the sea, and the sky  
Together we make stars, we are truly fly  
I wanna paint him, take a picture of his soul  
The story should be told

See he's like everything I dreamed of  
But better than the preview  
Now everything he working on  
Has got me saying "Me too!"  
Like he food and I need, blood cause he bleed  
He real 'cause I see, it's all meant to be  
Remember how to make believe  
Yo, these brotha's are your enemy  
You're in a state of disbelief  
Without your heart you'll never be  
So sisters sing along with me  
'Cause your love is true

You're my supastar  
My love is honest & true, and I can prove it baby  
Prove it baby, I can prove my love to you  
My love is honest & true, and I can prove it baby  
I can prove my love, Yeah Yeah
