

# If I Ever Leave This World Alive

Flogging Molly

**D**

If I ever leave this world alive

**G**

**D**

I'll thank ya for the things you did in my life

If I ever leave this world alive

**G**

**D**

I'll come back down and sit beside your feet tonight

**A**

Where ever I am you'll always be

**G**

More than just a memory

**D**

**A**

**D**

If I ever leave this world alive

If I ever leave this world alive

I'll take on all the sadness

That I left behind

If I ever leave this world alive

The madness that you feel will soon subside

So in a word don't shed a tear

I'll be here when it all gets weird

If I ever leave this world alive

**A**

So when in doubt just call my name

**G**

Just before you go insane

**D**

**A**

If I ever leave this world

**D**

**G**

Hey I may never leave this world

**D**

**A**

**D**

But if I ever leave this world alive

**A**

She says:

**D**

I'm okay; I'm all right,

**G**

Though you have gone from my life

**D**

You said that it would

**A**

**D**

**A**

Now everything should be alright

She says I'm okay; I'm all right,

Though you have gone from my life

You said that it would

Now everything should be alright

Yeah should be alright
