Seven Deadly Sins

Flogging Molly

Sail away where no ball and chain Can keep us from the roarin' waves Together undivided But forever we'll be free

So sail away aboard our rig The moon is full and so are we Seven drunken pirates We're the seven deadly sins

So the years rolled by and several died And left us somewhat reelin' Johnny strummed his Tommy gun Left blastin' through the ceiling

What became of rebels Who sang for you and me? Grapplin' with their demons In the search for liberty

Sufferers who suffer all Can swim upon the desert Avarice has ravaged all In spite of good intentions

Don't fill your mouth with gluttony For pride will surely swell But nothing's unforgevin In the four corners of Hell

So sail away where no ball and chain Can keep us from the roarin' waves Together undivided But forever we'll be free

Sail away aboard our rig
The moon is full and so are we
Seven drunken pirates
We're the seven deadly sins
Seven drunken pirates
We're the seven deadly sins

I envy and it's evil twin
It crept in bed with slander
Idiots, they gave advice
Both sloth it gave no answer

Anger kills the human soul With bitter tales of lust While Pavlov's dogs keep chewin' On the legs they never trust

Oh, sail away where no ball and chain Can keep us from the roarin' waves Together undivided But forever we'll be free Sail away aboard our rig
The moon is full and so are we
Seven drunken pirates
We're the seven deadly sins
We're seven drunken pirates
We're the seven deadly sins

But it's the only life we'll know Blagards to the bone So don't wreck yourself, take an honest grip For there's more tales beyond the shore

Ah, the years rolled by and several died And left us somewhat reelin' In and out came crawlin' out And spewed upon the ceiling

What became of rebels?
That sang for you and me
Grapplin' with their demons
In the search for liberty

Sail away where no ball and chain Can keep us from the roarin' waves Together undivided But forever we'll be free

Sail away aboard our rig The moon is full and so are we Seven drunken pirates We're the seven deadly sins

Sail away where no ball and chain Can keep us from the roarin' waves Together undivided But forever we'll be free

Sail away aboard our rig The moon is full and so are we Seven drunken pirates We're the seven deadly sins

Seven drunken pirates
We're the seven deadly sins
Seven drunken pirates
We're the seven deadly sins
