

# Missing Home

Flora Cash

Got a lot of hunger and  
Got a lot of big dreams and  
Even though I'm mining gold  
I'm missing home somehow

Been a lot of hard days and  
Been a lot of long nights and  
Even though I love the road  
I'm missing home somehow

3 in the morning and I'm looking for air  
Check on your breathing and I get out of bed  
Flip on the TV and I look at the news  
And I'm getting confused cause this isn't our room

Where have we gone and how did we get here?  
Where would I be in life had we not met yet?  
What does it take to be happy?  
What does it take to be satisfied?

Got a lot of hunger and  
Got a lot of big dreams and  
Even though I'm mining gold  
I'm missing home somehow

Been a lot of hard days and  
Been a lot of long nights and  
Even though I love the road  
I'm missing home somehow

And I'm thinkin' of mama and the look in her eyes  
When I said I'm a dreamer and I kissed her goodbye  
I took to the path with nothing to lose  
And I'm feeling alone but I'm paying my dues

Where have we gone and how did we get here?  
Where would I be in life had we not met yet?  
What does it take to be happy?  
What does it take to be satisfied?

Got a lot of hunger and  
Got a lot of big dreams and  
Even though I'm mining gold  
I'm missing home somehow

Been a lot of hard days and  
Been a lot of long nights and  
Even though I love the road  
I'm missing home somehow

Missing home somehow  
I'm missing  
I'm missing home somehow

And I think that you should know  
That the places come and go  
But the thing is that

Home is where the heart is

When I'm feeling low  
With a million miles to go  
I'll remember that  
Home is where the heart is

Got a lot of hunger and  
Got a lot of big dreams and  
Even though I'm mining gold  
I'm missing home somehow

Been a lot of hard days and  
Been a lot of long nights and  
Even though I love the road  
I'm missing home somehow

I'm missing  
I'm missing home somehow  
I'm missing  
I'm missing home somehow
