

Mother To Child

Flora Cash

Well I found this
How I did it I don't know
But I've got it
All we need is something more

They will build us up
They will tear us down
Don't you take those woes
That they will lay down

If you wanna get away come on
Yeah, if you wanna get away come on
Yeah, if you wanna get away come on

Well I felt it
How I did it I don't know
But I felt it
All there was went away to the wind

They will build us up
They will tear us down
Don't you take those woes
That they will lay down

If you wanna get away come on
Yeah, if you wanna get away come on
Yeah, if you wanna get away come on

If you... stay live...
Stay live... (Sorry)
