

# OVER

Flora Cash

I've tried as hard as I can to explain it but I'm at a loss for words  
My mind goes blank as I try to retain it I feel like I'm no one

... so numb  
... so empty  
... it can't be

You're over me  
Over us  
Over the only thing I've ever loved  
More than my mother and now you're really

Over me  
Over us  
Over  
Got no goodbye, no closure promises don't matter I guess because it's  
over

I still feel you in my veins and I worry  
That you won't stay here too long  
You told me I changed and you no longer knew me and I've tried but ca  
n't become

... someone  
... somebody  
... I can't be

You're over me  
Over us  
Over the only thing I've ever loved  
More than my mother and now you're really

Over me  
Over us  
Over  
Got no goodbye, no closure promises don't matter I guess because it's  
over

Does it mean that we fucked up? Both of us? Both of us?  
Does it mean that we'll be alone? Both of us? Both of us?

You're over me  
Over us  
Over the only thing I've ever loved  
More than my mother and now you're really

Over me  
Over us  
Over  
Got no goodbye, no closure promises don't matter I guess because it's  
over
