

# Breath of Life

Florence + the Machine

Oh, oh, oh, oh, oh

I was looking for a breath of life  
For a little touch of heavenly light  
But all the choirs in my head say, no oh oh

To get a dream of life again  
A little vision of the start at the end  
But all the choirs in my head sang , no oh oh

But I would need one more touch  
Another taste of devouring rush  
And I believe, I believe it so oh oh oh

But I would need one more touch  
Another taste of devouring rush  
And I believe, I believe it so oh oh oh

Who's side am I on? Who's side am I?  
Who's side am I on? Who's side am I?

And the fever began to spread  
From my heart down to my legs  
But the room is so quiet, oh oh oh

And although I was losing my mind  
It was a chorus so sublime  
But the room is so quiet, oh oh oh

The fever!

I was looking for a breath of life  
A little touch of heavenly light  
But all the choirs in my head sang, no oh oh

To get a dream of life again  
A little vision of the start at the end  
But all the choirs in my head sang, no oh oh

It's a harder way and it's come to claim her  
And I always say, We should be together  
I can see below cause there's something in here  
And if you are gone, I will not belong here (Belong here, belong here, belong here)

And I started to hear it again but this time it wasn't the end  
And the room is so quiet, oh oh oh

And my heart is a hollow plain  
For the devil to dance again  
And the room is too quiet

I was looking for the breath of a life  
A little touch of a heavenly life  
But all the choirs in my head sang no, oh oh
