

# Sittin' Pretty

Florida Georgia Line

That sun's set straight up as it gets  
Short shorts restin' just right on your lips  
Kiss chillin' on your lips  
I'm for sure gonna get it in a minute  
First time I take another sip  
That Chevrolet sittin' in the driveway  
Is gonna stay sittin', girl we ain't gettin' anywhere  
But closer I know you're in the mood with  
Literally nothin' but each other on the to-do list

We got all damn day to do it our way  
Like an old tire swing in the shade  
Got it made  
In the sweet spot  
Baby you and me got  
A couple free seats on a cloud nine ride  
Don't matter if we're sittin on a porch in the car at a bar  
Or a boat down to Panama city  
Gonna be a hell of a view  
I'm just fine long as I'm sittin' next to you  
Sittin' pretty  
Yeah  
I'm sittin' pretty  
Good  
I'm sittin' pretty

Everything is feeling like it should don't think that I could  
Get any better, but this weather I wish it would  
Turn up the heat, couple degrees get you in that a/c  
Let down the blinds call it a day

We got all damn day to do it our way  
Like an old tire swing in the shade

Got it made  
In the sweet spot  
Baby you and me got  
A couple free seats on a cloud nine ride  
Don't matter if we're sittin on a porch in the car at a bar  
Or a boat down to Panama city  
Gonna be a hell of a view  
I'm just fine long as I'm sittin' next to you  
Sittin' pretty  
Yeah  
I'm sittin' pretty  
Good  
I'm sittin' pretty  
Dawn  
I'm sittin' pretty  
Good

Pretty as a peach  
As a postcard picture of a west coast beach  
So pretty if I had to bet  
This is pretty much as good as it gets

We got all damn day to do it our way

Like an old tire swing in the shade  
Got it made  
In the sweet spot  
Baby you and me got  
A couple free seats on a cloud nine ride  
Don't matter if we're sittin on a porch in the car at a bar  
Or a boat down to Panama city  
Gonna be a hell of a view  
I'm just fine long as I'm sittin' next to you  
Sittin' pretty  
Yeah  
I'm sittin' pretty  
Good  
I'm sittin' pretty  
Yeah  
I'm sittin' pretty  
Good  
I'm sittin' pretty  
Yeah  
I'm sittin' pretty  
Good
