

## Small Town

### Florida Georgia Line

If you leave your doors unlocked  
If your garage is your body shop  
If your dog's got room to run  
You might be from a small town  
And if you've ever kissed a girl  
Spinnin' 'round on a Tilt-A-Whirl  
At the county fair in the summer sun  
You might be from a small town

I bet you've been sittin' on a John Deere tractor  
Bet you've been fishin' with an old cane pole  
Been cow tippin' in a big green pasture  
Burned up a clutch on a red dirt road  
Homegrown twist, a pinch of tobacco  
Shiner Friday night, the sun settin' real slow  
In a parkin' lot with the party crowd  
Little bit of love in a truck way out  
If you can't get up when I'm puttin' down  
You might be from a small town  
You might be from a small town

If you've got a spot or two  
Where you kick it with your high school crew  
Where you drive 30 miles for a fifth of rum  
You might be from a small town, yeah

I bet you've been sittin' on a John Deere tractor  
Bet you've been fishin' with an old cane pole  
Been cow tippin' in a big green pasture  
Burned up a clutch on a red dirt road  
Homegrown twist, a pinch of tobacco  
Shiner Friday night, the sun settin' real slow  
In a parkin' lot with the party crowd  
Little bit of love in a truck way out  
If you can't get up when I'm puttin' down  
You might be from a small town  
You might be from a small town

Yeah, put the fence in the dirt, no rent paid (no rent)  
What you know about church on a Wednesday? (Uh)  
What you know about workin' me ten day straight  
On a turn road, tryna get the bills paid?  
Ever raced your truck? Ever wrecked one?  
Said grace in a Mexican restaurant? (Amen)  
Painted "I love you" in bright red  
On a wine tower, I bet

I bet you've been sittin' on a John Deere tractor  
Bet you've been fishin' with an old cane pole  
Been cow tippin' in a big green pasture  
Burned up a clutch on a red dirt road  
Homegrown twist, a pinch of tobacco  
Shiner Friday night, the sun settin' real slow  
In a parkin' lot with the party crowd  
Little bit of love in a truck way out  
If you can't get up when I'm puttin' down  
You might be from a small town

You might be from a small town  
You might be from a small town  
You might be from a small town
