

Tyler Got Him a Tesla

Florida Georgia Line

What's up y'all it's T-Hub
I can't make it to the phone right now
But leave me a voicemail and I'll get back to you soon

Hey there fellas this is your Brother Jervel again
Wanna call on in, talk to you a little bit
I- I peaked in into the huge worship service this last week, you know
And- and Jesse and Steven, I heard them over there talking, you know
"Tyler got him a Tesla, Tyler got him a Tesla"
And I say, "Hey, hold on man. That boy still got a pickup truck in his garage
I seen it. You know, you can't say he ain't country
He ain't just gonna turn it off like cats"
Anyway it just kind of bothered me a little bit, you know, had-
Had me upset a little bit
But anyway, talk to y'all later on
