Florida Georgia Line

(Yeah yeah, yeah yeah, yeah yeah
Yeah yeah, yeah yeah, yeah yeah
Yeah yeah, yeah yeah)

Well, starting out, the only one you love is mama
Then you start growin' up and wonderin'
What made the girls start gettin' pretty
Then you start carin' 'bout how you're lookin'
Anything it takes to get 'em lookin'
Thinkin', "Damn, I gotta get one with me" (Ooh)

Women, God-given women
The reason we're livin'
And lovin' this life, hallelujah
Women, beautiful women
We're all better off with 'em
Right by our side (Ooh)

Yeah, yeah
16, you get them keys to the ride
Clean it up, gotta make it shine
Just to pick her up for the first time, yeah yeah (yeah)
Some girls come and go before you know it
Learn more with every hand you holding
Just to getcha ready for the one that's right
Yeah, yeah

Women, God-given women
The reason we're livin'
And lovin' this life, hallelujah
Women, beautiful women
We're all better off with 'em
Right by our side
Singin' oh

Oh, so beautiful
Singin' oh
Oh, oh, so, so beautiful
Bring it on down

Women, sweet, sweet women (Sweet women)
You keep the world spinnin'
And love in our eyes
That's what you do (Talkin' 'bout)
Women, beautiful women
We're all better off with 'em (Woo)
Right by our side
(Something' 'bout them
Can't live without them)

Oh, so beautiful
Said they're oh, oh, oh, oh
Yeah, they're so, oh, oh, oh
So beautiful
So let me hear you say
Oh, so beautiful
So beautiful, so beautiful

So beautiful, so perfectly beautiful
Said you're beautiful (Ooh)

Wanna thank you (Yeah yeah)
Wanna thank you (Yeah yeah, yeah yeah, ooh)
Let me thank, let me thank you (Yeah yeah, yeah yeah, yeah yeah)
