

# Communicate

Florrie

And we gotta communicate-c-cate-cate-cate, baby  
Wanna know what's on your mind  
And we gotta communicate-c-cate-cate-cate, baby  
Municate-c-cate-cate-cate, baby  
Cate-cate, baby  
Cate-cate, baby  
Cate-cate, baby

You got the wildest imagination  
I can't help but wonder where you go in there  
Sometimes words get lost in translation  
You're writing stories, but hold them to your chest

So I will speak my mind for just a little  
And hold my hands up in the middle  
'Cause I made promises and you made them too  
And I'll tell ya that I can feel your hesitation  
And all you ask of me is patience  
So I'll keep waiting 'til the message gets through

And we gotta communicate-c-cate-cate-cate, baby  
Wanna know what's on your mind  
And we gotta communicate-c-cate-cate-cate, baby  
Municate-c-cate-cate-cate  
We gotta communicate-c-cate-cate-cate, baby  
Wanna know what's on your mind  
And we gotta communicate-c-cate-cate-cate, baby  
Municate-c-cate-cate-cate, baby

'Cause I like questions, you don't like answers  
Just for a minute, let me inside your head  
And I promise I'll try to understand it  
Oh, take the pressure off and open up instead

So I will speak my mind for just a little  
And hold my hands up in the middle  
'Cause I made promises and you made 'em too  
And I'll tell ya that I can feel your hesitation  
And all you ask of me is patience  
So I'll keep waiting 'til the message gets through

And we gotta communicate-c-cate-cate-cate, baby  
Wanna know what's on your mind  
And we gotta communicate-c-cate-cate-cate, baby  
Municate-c-cate-cate-cate  
We gotta communicate-c-cate-cate-cate, baby  
Wanna know what's on your mind  
And we gotta communicate-c-cate-cate-cate, baby  
Municate-c-cate-cate-cate, baby
