

# Summer Nights

Florrie

Summer nights  
Alright with you  
Boy everything you want, I got

Don't fight it  
Right on cue  
I'll meet you in the parking lot

What you waiting for  
Got your bag in the back and I'm not gonna wait  
no no no more  
Ready never gonna stop

You got the best boy  
Better than the rest boy  
You got the best boy  
That's a fact

You got the best boy  
Better than the rest boy  
You got the best boy  
Don't turn back

You got the best boy  
Better than the rest boy  
You got the best boy  
That's a fact

You got the best boy  
Better than the rest boy  
You got the best boy  
Don't turn back

Meet you at a quarter past nine  
I bet you couldn't get  
You baby off my mind

Cause everybody's waiting in line  
So hop in the car we'll take a chance tonight

I'll meet you at a quarter past ten  
I won't be missing you out again  
I don't know where to begin  
so open up your eyes and let me in

And I wanna come with you  
Tonight  
Cause I feel it too

Yeah I wanna stay with you  
Alright  
So baby say you do

Summer nights  
Alright with you  
Boy everything you want, I got

Don't fight it  
Right on cue  
I'll meet you in the parking lot

What you waiting for

Ready never gonna stop

Gonna take a ride
