

# What If I'm Wrong

Florrie

Let's just slow down, wait, can you hold out?  
'Cause I think about the hard time before now  
And I think about the way that it tore me down  
And it's been two years, four days  
I'm healing, but I learned it the hard way  
And you're giving me a reason to work it out

And I just spent too many nights out  
So undecisive, I hope  
This is the right time to know  
And if we're still getting closer  
And I wanna let my feelings show  
Is it the right time to go?

And what if I took you to the dark side of my mind?  
And what if you run because I'm holding back, you're too scared of what you'  
ll find?  
And what if my heart can never open up the same?  
And what if you show me what love is and then you take it all away?

But what if I'm wrong? Ooh-ooh-ooh  
What if I'm wrong? Ooh-ooh-ooh

So I'll confide, it's been a long time  
Since I wanted to look in from the outside  
And I'm ready to let go, but I don't know how  
And each day we talk and talk  
And I'm used to being lonely with my thoughts  
But that changed from the moment you stuck around

And I just spent too many nights out  
So undecisive, I hope  
This is the right time to know  
And if we're still getting closer  
And I wanna let my feelings show  
Is it the right time to go?

And what if I took you to the dark side of my mind?  
And what if you run because I'm holding back, you're too scared of what you'  
ll find?  
And what if my heart can never open up the same?  
And what if you show me what love is and then you take it all away?

But what if I'm wrong? Ooh-ooh-ooh  
What if I'm wrong? Ooh-ooh-ooh

Ooh-ooh-ooh  
Ooh-ooh-ooh
