

Ugly Noise

Flotsam and Jetsam

In the circle take your place

In the circle take your place
Feel free to roam inside this space
I can't leave I know too much
To rise and show my face

In the circle take your place
Feel free to roam inside this space

Ugly Noise and Beautiful Lies
Ugly Noise and Beautiful Lies
Ugly Noise and Beautiful Lies
Ugly Noise and Beautiful

In the circle take your place
Feel free to roam inside this space

Ugly Noise and Beautiful Lies
Ugly Noise and Beautiful

In the circle take your place
Feel free to roam inside this space

Ugly Noise and Beautiful Lies
Ugly Noise and Beautiful Lies

Tell you where to start
Tear away from the heart
Tell you where to start
Tear away from the heart
Tell you where to start
Tear away from the heart
Tell you where to start
Tear away

I loved it once
I love it more
I begin to feel what I felt before
I loved it once and now I love it more
I begin to feel what I felt before
