Anemia

Flower Face

I turned sixteen and cut off all my hair
To stop the eyes that followed me everywhere
I am a child, I am a child, I am a child, I am
Pull out teeth with my bare hands

But our love is just novelty, we'll take what we can get
Holding on to the shore as the tide came in

My blood is toxic, my blood is thin
Dripping down beneath my translucent skin
I am a child, I am a child, I am a child, I am
Forget my pills, fall asleep in class again

The tv's on, it's screaming at me and I don't know what to do
My arms are broken, I'm lying on the floor
You're all I think of anymore
