

## Biblical Love

Flower Face

I want a biblical love  
But it's never enough  
Bled every day for a month  
A chemical release  
I'll make it up to you

There's something strange in the water  
I miss my prepubescent body  
I miss my ten year old dreams  
Now I sleep with a knife  
I'm baptized in the night

I want to be faithless and pure  
I want to be quiet and sober  
I want to be untouched and clean  
'Til you follow me home  
And you take that from me

But it feels like I'm climbing fucking mountains to get to you

And God, you're so tortured, I just love that about you

I want a biblical love  
But it's never enough  
Want it to tear me apart  
Drain the breath from my lungs  
'Til I'm coming undone

But how much more do you need?  
Do you want me to bleed?  
All night I'm clenching my teeth  
You hunt me down in my dreams  
Make a martyr of me
