

## Technicolour Yawn

Fluffy

Woke up in a bed of vomit  
I think I hate myself  
Woke up in a bed of vomit  
I lost my pink wig, and I'm in hell

Don't tell me  
Don't tell me  
What I did last night  
Don't tell me  
Don't tell me  
What I said last night 'cause  
Everything's not all right

Woke up in a bed of vomit  
My head hurts, I want to die  
Woke up in a bed of vomit  
The low just isn't worth the high

Woke up in a bed of vomit  
I think I hate myself  
Woke up in a bed of vomit  
I lost my pink wig, and I'm in hell

Don't tell me  
Don't tell me  
What I did last night  
Don't tell me  
Don't tell me  
What I said last night

[Chorus]
