

Is It Real

Flume

Now tell me, is it real?
Tell me how it feel
Now tell me, is it real?
Tell me how it feel
Now tell me, is it real? (Uh, u-uh)
Now tell me how it feel (Uh, u-uh)

I don't even wanna brag, but I play to win
I'ma make it out because that's just who I am
I don't stress about it now, I throw up my hands
I ain't worried 'bout it, no
But now I'm back and I'm out, yeah, yeah
I'm tryna blow a stack, make it back, yeah, yeah
I paid my dues, make it last, yeah, yeah
I'm feelin' way too bad to be sad, yeah, yeah

Now tell me, is it real? (Uh, u-uh)
Tell me how it feel (Uh, u-uh)
Now tell me, is it real? (Talk to me, uh, u-uh)
Tell me how it feel (Talk to me, uh, u-uh)

Life is short, spend it all, we makin' more
Empty my cup, we about to go up
Doin' the most, I'm fitted down, head to toe
Ass on the floor, we goin' up, back 'em up
But now I'm back and I'm out, yeah, yeah
(Life is short, spend it all, we makin' more)
I'm tryna blow a stack, make it back, yeah, yeah
(Empty my cup, we about to go up)
I paid my dues, make it last, yeah, yeah
(Doin' the most, I'm fitted down, head to toe)
I'm feelin' way too high to be sad, yeah, yeah
(Ass on the floor, we goin' up, back 'em up)
(Uh, u-uh)

Now tell me, is it real? (Uh, u-uh)
Tell me how it feel (Uh, u-uh)
Now tell me, is it real? (Talk to me, uh, u-uh)
Tell me how it feel (Talk to me, uh, u-uh)
